## SUMMARY

I am a meticulous QA Engineer with nearly 2.5 years of experience across Manual, Automation, AEM, and Performance Testing. I have a proven track record of delivering high-quality solutions for web, mobile, and API layers, developing innovative test strategies, and ensuring seamless product deliveries. My expertise extends to automation scripts and development of Chrome extensions, reflecting my adaptability and commitment to excellence

## EXPERIENCE

### Associate Consultant E-commerce Application

#### Leading American Knife Seller

02/2023 - 03/2024

- Automated test cases using WDIO for Angular-based applications (Web/Mobile)
- Performed cross-browser and mobile testing using Sauce Labs and real devices
- Authored and executed robust automation scripts ensuring functional integrity
- Collaborated with developers for defect resolution and quality improvements
- Participated actively in Agile ceremonies
- Maintained 100% attendance demonstrating strong commitment
- Refactored automation scripts for better performance and readability.

### Associate Consultant

#### Internal Tools

03/2024 - 08/2024

- Explored ETL Testing using Snowflake and Azure Databricks, validating large-scale data transformations, source-to-target data integrity, and pipeline consistency.
- Successfully migrated an internal Chrome extension from Manifest V2 to Manifest V3, addressing deprecated APIs, resolving listener issues, and converting the code to ES modules.
- Implemented background messaging, performance script integration, and Promise-based async patterns.
- Set up Gulp and Webpack build processes to bundle and optimize the extension code.
- Received notable appreciation from the original developer team for this effort, despite being from QA-recognition for demonstrating strong initiative and development capability.

### QA Tester E-commerce Application

#### Global Frozen Foods Manufacturer

08/2024 - 09/2024

- Sole QA responsible for AEM component testing and validation
- Rapidly adapted to new domain and identified critical defects
- Created onboarding material for ATF scripting and best practices
- Successfully delivered project in tight deadlines without leave.

### Performance QA E-commerce Application (Performance Testing)

#### Tools & Equipment Retailer

10/2024 - 01/2025

- Designed and executed performance tests covering inventory, cart, and checkout flows
- Parsed dynamic HTML using Jsoup to tailor test scenarios
- Identified bottlenecks and optimized app performance.

### Manual QA E-commerce Application (Manual Testing)

#### Tools & Equipment Retailer

01/2025 - Present

- Handled manual testing as a solo tester during critical absence of team
- Reported multiple defects and ensured functional reliability.

## HACKATHONS

### PrivacyMirror

- Detected cookies, trackers, and fingerprinting scripts
- Calculated real-time privacy scores using rule-based AI logic
- Suggested privacy-friendly alternatives, implemented offline- first design using 100% local storage.

### Junk Mapper

- Built using Java, XML, ML models and OpenStreetMap integration
- Educated users about recyclable materials and local recycling instructions.

## CERTIFICATIONS

### ISTQB Certified Tester - Foundation Level

### LambdaTest Selenium Java - Advanced Certification

## AWARDS & HONORS

---

- Pat on the Back (x2) for excellence in quality assurance.
  - Above and Beyond Award for outstanding commitment and results.
  - Automation Challenges (Spot Awards).
- 

## SKILLS

---

**Automation Tools:** WDIO, Selenium (Java/Python), TestNG, Playwright, Cypress, Appium

**Testing Types:** UI, Mobile (Web & Native), API (Basic), Desktop App Testing

**Performance Testing:** JMeter, Load/Response Analysis, Bottleneck Identification

**Manual Testing:** Test Planning, Execution, Bug Reporting, Documentation

**API Testing:** Postman, JMeter

**Languages/Tech:** Java, JavaScript, HTML, CSS, MySQL, AEM

**Version Control:** Github

**IDEs:** VS Code, Eclipse, Android Studio

---

## EDUCATION

---

### Bachelor of Engineering

Surya Group of Institutions & Technologies • 09/2018 - 2022

---
